## Special Religious Education Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents.

The school website (<https://dalmeny-p.schools.nsw.gov.au>) provides information on these options to support parent/carer choice. Parents are asked to specify at the time of enrolment which group they would like their child to attend.

A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE), including the list of approved providers, please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

Students not attending SRE are given supervised alternative meaningful activities. The following options are available at Dalmeny Public School. Please choose one.
