Read a story: Slipper Slugs
 Log on to Reading Eggs
<https://readingeggs.com.au/>
 Click the blue Library icon.

Brain Break

Act out your favourite story to your family. They might like to join in and be some of the characters from the story. You could dress up as a character from the story to act it out.

Mathematics

Number

1. Watch 'Count to 100': <https://tinyurl.com/chv32ye8>
2. Play 'Adventure man counting' on abcy: <https://tinyurl.com/8bhb63fy>

Time

1. Let's learn about digital clocks <https://tinyurl.com/ynj6mvny>
2. Complete the activity: Telling the time to the hour – Writing digital time' (locate on Seesaw)

Optional: Go onto Matific

<https://www.matific.com/au/en-au/login-page/>
 enter your login and password and complete set tasks

Lunch (10mins eating & 30 mins play)

Afternoon Session 2:00-3:00

PDHPE – Nutrition

Look at the Australian Guide to Healthy Eating
<https://tinyurl.com/5tz97bw6>

This shows the Five Food Groups.
 Last week we looked at The Grain Food Group and you drew pictures of grains food in your kitchen.

Today we are going to look at both the vegetable and fruit food groups.

Draw and label pictures of fruits and vegetables that you can find in your kitchen. Which are fruits and which are vegetables?

Option for a fruit break: make a fruit plate in the shape of a face. Eat it up! Yum, yum

Extension: Is a tomato a vegetable or a fruit? Why?

Lunch (30mins)

Morning Session 9:00-10:50

Log on to SeeSaw using your student code

2. Write the days of the week in a work book

Optional: Go onto Matific

<https://www.matific.com/au/en-au/login-page/>

enter your login and password and complete set tasks

Lunch (30mins)

Afternoon Session 2:00-3:00

**Science and Technology
Living World**

Students will be learning to identify the characteristics and needs of living things.

Click on Seesaw activity 'Living World' and listen to the recorded lesson.

Key learning will include:

- Living and non-living things.
- Find living things in the environment (go for a walk or look in your back yard)
- Basic needs of living things such as animals and plants.

Students will draw a picture of a plant and animal on Seesaw after watching the recorded lesson.
