PRINCIPAL'S REPORT

Dear Parents

Welcome to the first newsletter of Term 4. It is hard to believe that we are entering our final term of the 2017 school year. To quote someone wiser than me: Where did the time go?

Road Safety

Some of you may have seen on Channel 7 news last night that a six year old boy was hit by a car as he left Prairievale PS yesterday afternoon. I watched this report with keen interest as my wife is the Principal of Prairievale PS and she needed to manage a very serious incident that could have ended in tragedy.

Thankfully, besides a nasty concussion, the little boy will be OK even though he hit the bonnet of the car and bounced up onto the windscreen before landing on the road.

The young driver of the car was extremely shaken (he needed his family to pick him up as he was too anxious to drive following the incident) even though the accident was not his fault at all.

Interestingly, the accident occurred even though the student was crossing the road with his mother.

The incident comes as a timely reminder to all of us about the dangers of moving our children in and out of school each day. Again, I ask parents to drive carefully, park legally and, most importantly, teach your children to use the pedestrian crossing—it may save their life one day.

Sports Presentation Assembly

We have made the decision this year to present our major sports awards at an

assembly separate to our other academic and citizenship awards. As our school has grown, we are presenting more and more awards and we are finding the timeline is very tight in terms of fitting it all in to the allotted session.

For your diaries, the new sports assembly is being held on Monday 4 December, beginning at 11:30am and our traditional presentation assemblies are being held on Monday 11 December.

More information about these events will be sent home in the coming weeks.

WLFPA

Last week I had the pleasure of attending all three nights of the 2017 Western Liverpool Festival of the Performing Arts. Our students were very busy in dance groups, in the choir and as compères on the evenings.

As usual, the standard of the Dalmeny performances was outstanding and I would like to congratulate the students and their parents who assisted with hair, make-up, costumes and transport to and from the venue. I also extend this thank you to our

amazing staff who led these groups with such great commitment and skill.

The festival involves 14 schools across Western Liverpool, and I would also like to congratulate Mrs Crossley who coordinated the festival this year. She was ably supported by other members of the Dalmeny team and I appreciate their work on behalf of all of the participating schools.

More photos of our performers will be included in future newsletters as space permits.

Attendance

Student attendance continues to be an ongoing concern for staff and our Home School Liaison Officer so I feel the start of the school term is a fitting time to provide a reminder about the processes that need to be followed when your children are absent.

Whole Day Absences

It is a legal requirement that all absences are explained. Parents can submit a notification through the Skoolbag app, phone the school office or provide a written note to the class teacher. The school will write to parents who fail to provide such an explanation.

In the instance where children are absent for three (3) days your child's class teacher will call you to request an explanation. Staff are

doing this at my request to ensure we adhere to policy and this information is recorded on our computer system.

Where a child is experiencing a significant number of absences the school may request a medical certificate be provided for all absences, the student may be placed on an attendance monitoring program and in extreme cases a formal attendance monitoring program may be initiated by the Home School Liaison Officer.

Late Arrivals & Early Departures

Where possible arriving late and leaving early should be avoided. Interruptions to your child's learning and the class program can hinder both academic and social progress.

Any parents who has attempted to access our school office at 9am in the morning can attest to the significant number of late arrivals we experience. Office staff spend close to twenty minutes of a morning processing late students. This impact on their workload but also on the amount of time your children are missing learning. Please work with us to minimise these disruptions.

Demountable Repairs

In the coming weeks we will have a number of demountable classrooms experiencing repairs to their walls and roof. This will mean an interruption to the learning areas and as a result classes will move into the multi-purpose room. Class

teachers will communicate these changes to the classes impacted. For our larger school community it will mean some areas of access and possibly footpaths will be fenced off or vehicles and machinery may be in the playground. We would ask all community members to adhere to safety guidelines and follow any changes to routine that may result. The aim is to repair all buildings as quickly as possible and with minimal disruption.

Sport and group photos

A note has gone home this week with information relating to Sport and Group photo day. These photos will take place on Tuesday 24 October. A whole group year 6

To purchase a pair of socks, complete the order slip on the next page and place it together with your payment of \$10 in the P&C box in the school office. Members of the P&C will then organise delivery of the socks to your child's class.

The school is aware that some families have purchased navy football socks this year whilst a sock supplier was being finalised. For the remainder of 2017, navy socks may be worn to PSSA but from 2018 the school expects all students to wear the appropriate sport socks to participate in a PSSA team.

School Assemblies

Student and school achievements are recognised and classes have the opportunity to perform for their peers at our regular school assemblies. Parents and community members are most welcome to attend. Please refer to the "School Assembly Roster".
