PRINCIPAL'S REPORT

Dear Families and Friends,

This term has been one of fabulous learning and great opportunities.

Throughout Term 3 students, with the support of staff and families have:

- taken part in Public School Sport Association activities.
- science excursions.
- participated in the Athletics Carnival Activities day.
- Education Open Day.
- Character Book Parade and Book Fair.
- Band workshops.
- been visited by the dentist.
- participated in debates against Bardia Public School and Casula with great results.
- engaged in three way interviews with parents and teachers.
- been part of the combined school choir group for the Western Liverpool area.

- represented the school at the School District Athletics Carnival.
- performed for the Liverpool Festival of Performing Arts in Dance and Choir. The children were just fabulous and did such a great job.
- attended an instrumental symposium with the Royal Australian Navy Band.
- joined Kindergarten, Year 1, Year 3, Year 4, Year 5 and Year 6 excursions to Calmsley City Farm, Canberra, Bathurst, Possum Magic at Casula Powerhouse, The Royal National Park and Q Station Manly.
- participated in the Public Speaking competition for the Liverpool and Glenfield area with outstanding results. Kindergarten, Year 1 and Year 2, Year 5 and Year 6 were all awarded first place. Year 3 and Year 4 were awarded second place. Absolutely amazing :-)
- competed against Year 7 students at Casula High School in a Brain Buster Competition and were placed second and third which was outstanding.
- participated in the NAIDOC event at Ashcroft Public School
- provided performances from Kindergarten to Year 6 on Tuesday and Thursday of the last week of school. All eight performances were an absolute delight for everyone that had the opportunity to share in the experience. I felt very privileged to have been able to see each performance twice.

As I look back at what the children and staff have achieved this term I am reminded of the dedication every staff member brings to their role at Dalmeny Public School.

for the children have required a great deal of teaching skills, time and high management and organisational strategies with most of the organisation occurring after hours and on the weekend.

I take this opportunity to thank our children who have worked so hard throughout the term, bringing with them respect and joy to life at school, the staff who consistently work above and beyond for the little people in their care and our families and friends who support staff to maximise opportunities and learning for our children through positive and constructive partnerships.

Have a wonderful school break, enjoy your time with the children, stay safe and happy and we will see everyone back at school on Monday 14th October.

Yours in Education

Emma Jamieson

Important Enrolment Information

The NSW Department of Education introduced a revised enrolment policy. This Enrolment Policy, implemented as of 22 July 2019, will have an impact on the manner in which we process non-local enrolments over coming years.

Each school has been allocated an enrolment cap based on classroom accommodation. At Dalmeny this calculation is based on 24 permanent rooms. Our school has increased in enrolments to the point where we have exceeded this allocated cap.

All students who reside within our local intake area will continue to be offered enrolment at Dalmeny Public School, however, as current enrolments are greatly in excess of our local enrolment cap, **NON-LOCAL ENROLMENT APPLICATIONS CAN NO LONGER BE ACCEPTED. ALSO ANY OUT OF AREA SIBLINGS**

WILL NOT BE ABLE TO BE ACCEPTED FROM TERM 4 THIS YEAR.

The policy also stipulates that schools above the allocated enrolment cap must now use a prescribed 100 point check to verify that all students who present for enrolment reside within the designated intake area. This information is available from the office upon request.

If you have a child turning 5 before 31 July, 2020, we are accepting enrolments for Kindergarten.

Making Payments & Upcoming Excursions

Please forward all payments to the administration office, enclosed in an envelope that has your child's name, class, amount you are paying and what you are paying for marked clearly on the front.

EFTPOS facilities are available at the office between 8.30am and 2.15pm.

Payments can also be made online using either a Visa or MasterCard credit or debit card. Go to the schools website:

www.dalmeny-p.schools.nsw.edu.au

Select **\$Make a payment** and follow the prompts.

Please be aware payments cannot be accepted after the due date. This provides the office with the time to set numbers for payments to service providers prior to the excursion.

Year 2 Swim School Program 2019

We have been allocated 60 positions for students to attend the Department of Education's School Swimming Scheme Program for Year 2 students who are unable to swim 25m unaided and confidently.

The lessons will take place at Michael

Wenden Aquatic Centre from Monday 14 October to Friday 25 October. This program has now finalised and we are unable to accept any more payments.

Adults always hold your child's hand when crossing the road. School aged children might seem independent, but they still need a hand. Remember:

- always meet your child at school or the bus stop. Never wait on the opposite side of the road and call them across.
- Always supervise your child and hold their hand when walking to and from the bus stop or interchange and when crossing the road until they are still 10.
- Wait until the bus has gone then use a safe place to cross the road.
